LES BOUCLES

BOUCLE FOR

```
for (expressionInitiale; condition; expressionIncrément) {  
    instruction  
}
```

// exemple :

```
for (let i = 0; i < 3; i++) {  
    "i est égale à " + i  
}
```

BOUCLE WHILE

```
while (condition) {  
    instruction  
}
```

Attention au boucle infinie

BOUCLE DO WHILE

```
do {  
    instruction  
} while (condition);
```

BOUCLE FOR..IN

```
for (variable in objet) {  
    instruction  
}
```
